OF THE

CITY COUNCIL

For the Year 1921

Council Chamber,
Kingston, Jan. 10th, 1921.

The inaugural meeting of the Council of the Corporation of the City of Kingston for the year 1921 was held in the Council Chamber at 11 o'clock to-day.

J. M. Farrell, Police Magistrate, administered the declaration of office to the Mayor-elect, Hugh Collamer Nickle, who then took his seat and administered the declaration of office to the Aldermen-elect as follows:—

Sydenham Ward—William Herchmer Craig, Fergus Jos. O'Connor, Herbert Nasmith Robertson.

Ontario Ward—Christopher James Graham, Robert Edwin Kent, John Blain Phillips.

St. Lawrence Ward—Samuel Stewart Corbett, Robert James Rodger, Benjamin Noble Steacy.

Cataraqui Ward—Thomas Bryant Angrove, Wm. John Driscoll, William Alan Stroud.

Frontenac Ward—Wm. Fleet, Albert Marchan Potter, Jas. Wriley Smith.

Rideau Ward—Richard Goodson Armstrong, Daniel Couper, Fred. Mitchler Clow.

Victoria Ward—Percy Bloor Chown, John Wm. Litton, Thomas Henry Sargent.

The City Clerk called the Roll, the following members being present:

Mayor Nickle, Ald. Armstrong, Angrove, Chown, Clow, Corbett, Couper, Craig, Driscoll, Fleet, Graham, Kent, Litton, O'Connor, Potter, Phillips, Robertson, Rodger, Sargent, Smith, Steacy, Stroud.

MAYOR'S INAUGURAL ADDRESS.

To the Members of Council of the Corporation of the City of Kingston:—

I desire to extend to the retiring Aldermen my sincere thanks for their hearty co-operation during the year 1920, when they served the city so faithfully, and at the same time to welcome the new members and respectfully ask their support. As in 1920, many questions of importance will have to be dealt with, and it is essential that every member should realize to the fullest extent the duties and responsibilities placed upon him, and endeavor to administer the city's business to the best of his ability.

I wish to place before you a few of the more important questions to be dealt with during the year.

HOSPITAL.

Last year's council, without a dissenting voice, passed a by-law to provide a contagious disease hospital to cost $150,000, in order htat the final years at Queen's University might be completed in this city rather than elsewhere. The annual cost will be approximately $13,000 for a period of fifteen years. It is possible that the work will be undertaken this year.

PUBLIC LIBRARY.

The electors early in 1920 declared in favor of a free public library. As an effort is being made to secure a Carnegie grant, the construction of the library has as yet assumed no definite form. The library board has been appointed, and will no doubt see that the library is provided during the years by Carnegie contributions or from civic funds. In either case Council may be required to contribute annually $11,000.

SCHOOL.

The Robert Meek School is nearing completion, and there is every reason to believe that the Board of Education will require in the neighborhood of $10,000 annually for salaries, maintenance, and fuel. The overdraft from the Board of Education for 1920 will be about $7,500.

Under a recent regulation of the Department of Education children will have to attend school up to the age of sixteen. This will entail some considerable expenditure. At the present time nothing definite can be stated.

MOTHERS' ALLOWANCE.

Legislation has been placed upon the statute books of the Province of Ontario whereby mothers with two children under fourteen years of age may receive financial assistance, one-half of the assistance being contributed by the municipality, and it is not unreasonable to assume that the city's proportion will run nearly $4,000.

INFIRMARY FOR HOUSE OF INDUSTRY.

For years past inmates of the House of Industry who become a care and were not able to look after themselves have been from time to time removed to the General Hospital. The hospital authorities have now decided that as these inmates are not sick, but rather come under the heading of helpless persons, that they will no longer assume the responsibility of providing for them. They cannot be turned out, and if they are to be adequately provided and cared for an infirmary will have to be built at the House of Industry, and additions made to the staff which will increase our financial responsibilities to the extent of $5,000 annually.

STREETS.

The Board of Works is the real spending department. There is no doubt there will be the usual clamor for pavements, but before deciding on any extensive work the finances of the city must be scrutinized with great care. The cleaning and sprinkling of our streets has become extremely expensive, and with the number of miles of pavement which we now have I think the time has come when we should purchase a motor-driven sprinkler and flusher.

Local improvement charges for pavements and walks amounted to $7,500 for the year 1920. In view of the above unusual expenditure which the city may be called upon to assume, the strictest economy will have to be practised in order that the present tax rate of 35½ mills may be maintained. Notwithstanding the fact that the assessment has been increased 13 per cent., I hardly need say that the watchword must be economy.

POLICE DEPARTMENT.

During 1920 the Department operated with fewer policemen than for some years past, and although the force was small the efficiency was high. I am advised by the chairman of the Board that the force will have to be increased or an alarm system installed, perhaps both, and as a member of the Commission I do not feel that we are justified in attempting to carry on any longer with so few men. Very often hurry up calls are received, but hurried response is not possible, as an auto is not always available. A city of 23,000 should possess a motor vehicle for the Police Department.

BOARD OF HEALTH.

The health of the people should at all times receive serious consideration, and I would urge that in appointing the Board of Health you appoint members who will be seized with the seriousness of the situations as they arise, and who will be in a position to give freely of their time and ability. During the year we have had upwards of 85 cases of smallpox, with an expenditure close to $3,800. There has not been one case of smallpox where the patient has been successfully vaccinated, and I am opposed to using the city's money to provide for those who will not take the ordinary and common precaution to protect themselves against smallpox.

MILK BY-LAW INSPECTOR.

Recent inspection by the police and one early in 1920 have convinced me that the milk by-law is not being efficiently enforced, and something must be done immediately to regain the confidence of the citizens that an honest effort is being made to have the milk by-law enforced. The recent inspection by the police showed that about as many stores were selling without license as with license.

UTILITIES.

The feeling existing between the Utilities Commission and Council is most cordial. There is every prospect for a further reduction in the cost of electricity, but no reduction in gas need be looked for so long as oil and coal ocntinue at their present high prices. I wish on behalf of last year's council to thank the members of the Commission for their willingness to accept $20,000 in full settlement of our lighting account.

MEMORIAL.

The Memorial Committee for 1920 placed a contract for twelve stained glass windows for the City Hall. Three have been erected. In order that the work may do credit to those who fought and those who were willing that their men might go and fight, I very much desire that the City Hall be redecorated and re-lighted, and if the suggestion meets with the approval of Council, Kingston will have a Memorial Hall surpassed by none in Canada.

UNEMPLOYMENT.

A period of industrial depression has set in, and we have in our midst quite a few unemployed, and in order to relieve an acute situation the Council of 1920 in their dying hours decided to construct a sewer on Macdonald street in order to provide employment, which most men prefer to charity. Those who are less fortunate, and are unable to work and feel the pinch of need, are being taken care of very satisfactorily by the Poor Relief, an organization that under the present circumstances should be generously dealt with by Council.

INDUSTRIES.

The Industries Committee was successful in securing several new industries in 1920, and we all hope that this is but a

beginning and that this year's Committee may be even more successful.

In conclusion, I ask your hearty co-operation, and trust that our efforts may meet with the approval of the electors.

Jan. 6th, 1921.

His Worship Mayor Nickle:—

Dear Sir,—As you are entering upon another year, I desire to point out facts concerning the city's finances which I hope will receive the careful consideration of the Council.

1. The increase in expenditure in 1920 over the previous year was $102,200.

2. Two-thirds of the above increase was required by other spending bodies and for carrying the bonded debt, and entirely beyond the control of the Council.

3. The increase in the assessment for this year is about thirteen per cent., and will yield about $65,000 at last year's rate. This increase was not due to natural growth, but to inflation on account of high cost of labor and material.

4. With the city practically at a standstill both as to population and building, and no chance of decrease in expenditures already authorized, I am of the opinion that the debt should not be increased except for works absolutely necessary, and that current expenditures should be kept at the lowest possible point consistent with efficiency.

Yours respectfully,
O. V. BARTELS,
City Treasurer.

Moved by Ald. Armstrong, seconded by Ald. Graham (1) that the Mayor's inaugural address be referred to the different committees.—Carried.

Moved by Ald. Chown, seconded by Ald. Clow (12) that the member for Kingston in the Legislative Assembly be requested to support an amendment to the Fire Department Hour of Labor Act, or if necessary to introduce an amendment to make it applicable to cities of 100,000 and over only.—Carried.

Moved by Ald. Chown, seconded by Ald. Clow (13) that the member for Kingston in the Legislative Assembly be requested to oppose the legislation to make it compulsory for places having permanent Fire Departments to have the double platoon system. This would be a great hardship in all smaller places, and is introduced now by the Minister of Labor to put the Government in a position to force the iniquitous Act of one day off in seven on the Fire Departments. The men of the Fire Departments outside of Toronto, Hamilton and Ottawa were perfectly contented, receiving big wages, but the recent Act re Fire Departments Hour of Labor Act and the suggested one mentioned above, has, and will, make further strife between the Councils and the men.

The Municipal Councils resent the interference of the Legislative Assembly in making these laws governing their Fire Department on the ground of usurping the prerogatives of municipalities.

Progress at this rate will shortly relieve Municipal Councils of any authority whatever, and as the ratepayers of a municipality elect representatives to disburse their monies, they feel it a hardship to have laws of this kind imposed on them.

That a copy of this resolution be sent to the Premier and Attorney-General of this Province.—Carried.

To Adjourn.

Moved by Ald. Corbett, seconded by Ald. Clow, that Council do now adjourn.—Carried.

Council adjourned at 12 o'clock p.m.

W. W. SANDS,

Ald. Kent presented the Budget for 1921 as follows:

Committee Rooms, City Hall,

Kingston, March 24, 1921.

The Committee on Finance and Accounts, in submitting the estimates for the year 1921, beg leave to report as follows:

The bonded debt of the city to 31st December, 1920, is $2,064,234.27, made up as follows:

Water Works		$ 112,400 00
Light Works		573,357 87
SCHOOLS—		
Public	$258,217 47	
High	62,000 00	
		320,217 47
LOCAL IMPROVEMENTS—		
Corporation's portion	$303,267 35	
Owner's portion	284,330 50	
		587,597 85
General purposes		470,661 08
		$2,064,234 27

The above debt will be increased this year by authorized debenture issues amounting to ..... $ 145,000 00

The amount of the Sinking Funds is $367,567 07, and of this amount $330,753.21 is invested in Government and Municipal Debentures, and $36,813.86 is on special deposit in the Bank.

The amount to be levied for the Sinking Funds this year is $61,374.54, the parties specially benefited paying $28,262.33, and the city generally paying $33,112.21.

Your Committee has been obliged to provide funds for an increase in uncontrollable expenditure of $68,000, equal to

about 5 mills on last year's assessment, and this would bring the total rate to 40 mills on last year's basis. The main items causing the above increase are as follows:

School Boards	$31,000 00
Public Library	7,500 00
Mothers' Allowance	5,000 00
Debentures and interest	20,000 00
Police	3,000 00
Suburban Area	1,400 00

After providing for the Debentures and Interest due this year and the demands of six separate Commissions over which the Council has no control, your Committee finds that out of an estimated revenue of $611,241 there is only $201,500 left with which to cary on the whole city service. This includes charitable grants amounting to $25,000, and it is to be regretted that lack of funds prevents an increase to these deserving institutions.

The assessment has been increased over 13 per cent. this year, and in order to reduce the rate to 35 mills your Committee have been unable to grant increases to the appropriations of the various spending committees, and trust that the same amounts as last year may be found sufficient to carry on the work without impairing the efficiency of the service.

In comparing this year's budget with that of 1919 the uncontrollable expenditure shows an increase of $137,000. The principal items of which are:

Schools	$77,000
Debentures and interest	36,000
Mothers' allowance	5,000
Public Library	9,000

It will be apparent that such abnormal increases as those above shown must cease if the excellent financial standing of this city is to be maintained, and your Committee invite the co-operation of the various Commissions in an earnest endeavor to keep the expenditure in the future within reasonable bounds.

Your Committee recommend that a rate of 22 1-10 mills for general purposes and 12 9-10 mills for educational purposes, making in all 35 mills on the dollar, be placed on this

year's ordinary assessment, and also that a rate of 1 mill on the dollar for the collection and disposal of garbage be imposed on the assessment liable therefor.

BY-LAWS.

Ald. Couper presented By-law No. 13, 1921. The by--law was read a first time, and the 31st rule being suspended by two-thirds vote, Council went into the committee of the whole on the second reading of the by-law, Ald. Potter in the chair.

Moved by Ald. Couper, seconded by Ald. Driscoll (8) that $2.88 per foot be substituted for $3.78 as set forth in By-law No. 13, 1921, re Park street sewer.

Moved in amendment by Mayor Nickle, seconded by Ald. Clow (9) that the rate on Park street sewer to the property owners be the Engineer's recommendation of $3 per foot frontage.—Lost.

The original motion was then declared carried, and the by-law was read a third time, signed and sealed by the Mayor.

BY-LAW NO. 13, 1921.

A By-law to apportion the cost of the construction of the Park street sewer.

Passed 29th March, A.D. 1921.

WHEREAS Section 22 of the Local Improvement Act empowers the Council by a vote of three-fourths of all the members to provide that a certain sum per foot frontage shall be specially assessed upon the land abutting directly on a sewer constructed under said Act, and that the remainder of the cost of such sewer shall be borne by the Corporation.

THEREFORE the Municipal Council of the Corporation of the City of Kingston enacts as follows:

That the sum of $2.88 per foot frontage shall be specially assessed upon the land abutting directly upon the sewer constructed, under By-law No. 31 of 1919, on Park street, in the City of Kingston, commencing at Macdonnell street, and continuing easterly along Park street to connect with the sewer in Victoria street, and that the remainder of the cost of such sewer shall be borne by the Corporation.

This by-law shall come in force and take effect on its passing.

(Signed)

A. H. MUIR,
Acting City Clerk.

HUGH C. NICKLE,
Mayor. [L.S.]

Ald. Armstrong presented By--law No.14, 1921. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Robertson in the chair, and was signed and sealed as follows:

BY-LAW NO. 14, 1921.

A by-law to levy a tax of 35 mills on the dollar upon the assessed value of the rateable property in the City of Kingston for the lawful purpose of the municipality for the year 1921.

Passed March 29th, A.D. 1921.

WHEREAS for the year 1921 there are required for the lawful purposes of the municipality of the City of Kingston, as hereinafter specified the following named sums of money, estimated by and to the Council of the said municipality, to be raised by the levy of the several rates hereinafter mentioned respectively amounting to the rate of 35 mills on the dollar upon the assessed value of the rateable property in the said municipality, and which in the revised and adopted assessment rolls and the supplementary rolls for the year 1921 amounts to the sum of $15,955,885 current money of Canada, which rate of 35 mills on the dollar is in respect of the rateable property in the said municipality liable to be assessed for the Roman Catholic Separate School rate, inclusive of the rate hereinafter directed to be levied upon the rateable property liable thereto, and which rate of 35 mills on the dollar also includes the rate for the sum required for the Public School purposes for said year, to be levied on the property liable thereto as hereinafter provided.

BE IT THEREFORE ENACTED by the Council of the Corporation of the City of Kingston:

1. That the sum of $23,743.00 required to pay the annual interest and the payment of the principal on the debentures issued under the provisions of "The City of Kingston Debt Arrangement Act, 1887," shall be raised by the levy of a rate, "The Debt Arrangement Loan Rate," of 1 49/100 mills on the dollar upon the whole assessed value of all the rateable property in said municipality.

2. The sum of $42,008.43 required to pay the annual interest on and the annual payment on account of the loan and

bonus debentures and not provided for under Section 1 of this by-law shall be raised by the levy of a rate of 2 63/100 mills on the dollar upon the whole assessed value of all the rateable property in the said municipality.

3. The sum of $44,640.85 required for High School purposes as estimated to the said Council by the Board of Education, and to pay the annual interest on and the annual payment on account of High School debentures of the said municipality shall be levied by a rate of 2 80/100 mills on the dollar upon the whole of the assessed value of all the rateable property in the said municipality as aforesaid.

4. The sum of $115,160 required for public school purposes of the said municipality as estimated to the said Council by the Board of Education of the said municipality shall be raised by the levy of a rate of 8 46/100 mills on the dollar upon the assessed value of the rateable property in the said municipality assessable and liable to be raised for a public school rate, said assessed value being $13,605,131.

5. The sum of $22,323.56 required to pay the annual interest on and the annual payment on account of the Public School debentures of the said municipality, shall be raised by a levy of a rate of 1 64/100 mills on the dollar upon the said assessed value of the rateable property in said municipality assessable and liable to be raised for a Public School rate, said assessed value being $13,605,131.

6. There shall also be levied on the rateable property in the said municipality liable thereto, the assessed value of which amounts to $2,350,754, a rate of 10 10/100 mills on the dollar imposed on the said property by the Board of Trustees of the Roman Catholic Separate School of the said municipality for the purposes of the said Separate School for the current year, and the last mentioned rate shall be levied and collected by the collector appointed to collect the municipal rates and taxes of the said municipality at the time and as provided by law.

7. The sum of $44,972.78 required to pay the annual interest on and provide the annual sum required for the sinking fund for the debentures of the said municipality issued for the purpose of raising loans for the amount of the cost of the several local improvement works in the said municipality to be borne and paid by the said municipality at large shall be raised

by the levy of a rate of 2 82/100 mills on the dollar upon the whole of the said assessed value of all the rateable property in said municipality as aforesaid.

8. The sum of $241,898.96 required for the general purposes and expenditure of the said municipality for the current year shall be raised by the levy of a rate of 15 16/100 mills on the dollar upon the whole of the assessed value of all the rateable property in the said municipality as aforesaid.

9. The said several rates of 1 49/100, 2 63/100, 2 80/100, 2 82/100 and 15 16/100 mill on the dollar to be levied upon the whole of the assessed value of the rateable property in the said municipality and the said several rates of 8 46/100 and 1 64/100 mills on the dollar to be levied upon the said assessed value of all the property in the said municipality assessable and liable to be rated for a Public School rate, and the said rate of 10 10/100 mills on the dollar to be levied on the assessed value of all the property in said municipality assessable and liable to be rated for the said Roman Catholic Separate School rate (together amounting to 35 mills on the dollar upon the assessed value of the property upon and in respect of which the said several rates are to be levied respectively) shall be levied and collected at one and the same time as provided by law by the collector appointed to collect the municipal rates and taxes of the said municipality.

10. The City Clerk shall prepare and deliver to the said collector the collector's rolls of the said municipality for the said year, and prepare according to law on or before the first day of May, 1921.

This By-law shall come in force and take effect on its passing.

BY-LAW NO. 15, 1921.

Passed March 29th, 1921.

A by-law respecting transient traders.

BE IT ENACTED by the municipal council of the corporation of the City of Kingston.

1. No transient trader, as defined by clause (b) of paragraph 7 of section 420 of the Municipal Act, or other person whose name has not been entered on the last revised assessment roll of this municipality in respect of income or business assessment for the then current year, shall, unless he shall have obtained a license so to do, offer goods, wares, or merchandise for sale by auction conducted by himself or by a licensed auctioneer or otherwise or offer them for sale in any other manner.

2. Every such transient trader or other person whose name is not entered on the assessment roll or is entered on it for the first time in respect of income or business assessment who so offers goods, wares, or merchandise, shall pay the license fee hereinafter mentioned before commencing to trade.

3. The license fee to be paid for a license shall be $250.

4. This by-law shall not apply to the sale of the stock of an insolvent which is being sold or disposed of within the county or district in which he carried on business therewith at the time of the issue of an attachment or the execution of an assignment.

5. Every person who is guilty of a contravention of this by-law shall incur a penalty not exceeding fifty dollars, exclusive of costs, and in case of non-payment of the fine and costs, the same may be levied by distress and sale of the goods and chattels of the offender, and in case of non-payment of the fine and costs and there being no distress found out of which the same can be levied, such offender shall be liable to be imprisoned in the common gaol of the County of Frontenac with or without hard labor for any period not exceeding twenty-one days.

6. Paragraphs 24 and 25, relating to transient traders, of By-law No. 12 of the Revised By-laws of the City of Kingston is hereby repealed as well as any other by-law or part of by-law inconsistent with this by-law.

7. This by-law shall come in force and take effect on its passing.

BY-LAW NO. 17, 1921.

A by-law to levy a tax of one (1) mill on the dollar upon the assessed value of the land in the municipality of the City of Kingston for the purpose of defraying the cost of the collection, removal and disposal of garbage, and other refuse throughout the whole municipality.

Passed March 29th, 1921.

WHEREAS By-law No. 42, 1915 (a "by--law to provide for the collection, removal and disposal of garbage and other refuse, was passed by the Council of the Corporation of the City of Kingston, September 15th, 1915").

AND WHEREAS Section 19 of said by-law provides as follows:

"19. The expense of the collection, removal and disposal by the Corporation of said garbage and other refuse throughout the whole municipality shall be borne by the owners and occupants of the land therein, and an annual special rate shall be imposed upon such land according to its assessable value, sufficient to defray the expense of such colllection, removal and disposal, and no land within the municipality shall be exempt from the said annual special rate, anything in general or special Act or any By-law to the contrary notwithstanding. The said annual special rate shall be placed upon the Collector's Roll during the year in which the same is to be collected, and shall be collected in like manner and at the same time as all other municipal taxes."

AND WHEREAS it will require an annual special rate of one mill on the dollar on the assessed value of the land within the municipality of the City of Knigston to defray the expenses of the collection, removal and disposal by the Corporation and other refuse throughout the whole municipality.

AND WHEREAS the assessed value of the said land as stated in the revised and adopted assessment roll of the said municipality for the year 1921 amounts to $17,200,000.

BE IT THEREFORE ENACTED by the Council of the Corporation of the City of Kingston as follows:

1. The sum of $17,200 required to defray the expense of the collection, removal and disposal by the Corporation of garbage and other refuse throughout the whole municipality of the City of Kingston shall be raised by the levy of a special rate, "The Garbage, etc., rate" of one (1) mill on the dollar upon the whole assessed value of the land within the said municipality, which rate shall be in addition to all other rates for which the said land is and shall be liable.

2. The City Clerk shall place upon the Collector's Roll opposite the several names of the persons assessable the amounts assessable against the said land in respect of such special rate.

3. The said amounts shall be payable in each year to the Collector of the municipal taxes of the city of Kingston, who is hereby authorized to collect the said amounts at the same time, in the same manner, and with the like remedies as ordinary taxes upon real estate are collectable and under the provisions of the Assessment Act.

4. That the amounts collected from the said rate shall be expended in defraying the expense of the collection, removal and disposal by the corporation of said garbage and other refuse and not otherwise.

This by-law shall come in force and take effect on its passing.

(Signed)

A. H. MUIR,
Acting City Clerk.

BY-LAWS.

Ald. Couper presented By-law No. 19, 1921. The By-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Chown in the chair, and was signed and sealed as follows:

BY-LAW NO. 19, 1921.

A by-law to raise by way of loan the sum of $26,537.79 by the issue of debentures to meet the cost of construction of sewers, concrete walks, concrete curbs and street extension in those portions of the streets of the City of Kingston mentioned in the schedule annexed to this by-law.

Passed April 11th, 1921.

WHEREAS the Council of the Corporation of the City of Kingston, upon the recommendation of the Local Board of Health, approved of by the Provincial Board of Health, did affirm by a vote of two-thirds of all the members of the Council in regular meeting thereof, that it was desirable and necessary in the public interest to construct each of the sewers mentioned and described in Column One of Part 1 of the Schedule hereto annexed for the purpose of draining a particular locality for sanitary drainage purposes as a local improvement under the provisions of the Local Improvement Act.

AND WHEREAS a petition was received by the said Council praying for the construction of a common sewer as a local improvement under the said Act on the portion of the street mentioned and described in Column One of Part II of the schedule hereto annexed, such petition being signed by at least two-thirds in number of the owners of the real property to be benefited thereby according to the last revised Assessment Roll of the Municipality, such owners representing at least one-half in value of such real property (the number of such owners and the value of such real property, as apppeared by the last assessment roll of the Municipality, having been first ascertained and determined in the manners and by the means provided by a by-law in that behalf, and thereupon the said Council decided that a common sewer should be constructed on the said portion of said street in accordance with the said petition, the construction of the said sewer having been approved by the Provincial Board of Health.

AND WHEREAS by a two-thirds vote of all the members of the Council of the Corporation of the City of Kingston due notice of the intention of the Council to undertake such works having been duly published, it was determined to construct the concrete walks and the concrete curbs and to open up, grade and establish as a new street, the street mentioned and described in column one of Parts III, IV and V of the schedule hereto annexed as local improvements under the Local Improvement Act.

AND WHEREAS the said several sewers, concrete walks and curbs and street extension were duly constructed and temporary advances were obtained to meet the cost thereof, and a report has been made thereupon showing that said respective works have been fully completed and a special assessment roll has been prepared by the City Engineer pursuant to the By-law in that behalf showing the cost of the said several works respectively and making an assessment therefor upon the several lots abutting directly on the respective works, and it has been certified that the period of twenty years is the probable life of each of the said several works.

AND WHEREAS the assessed value of the whole real property rateable in respect of the said several improvements as ascertained and finally determined is the amount mentioned in the eighth column of the said schedule respectively opposite the said several works as described in the first column of said schedule.

AND WHEREAS the total cost of the said several improvements is as mentioned in the second column of the said schedule respectively and the corporation's portion of such cost is as mentioned in the third column of the said schedule respectively, and the portion of such cost chargeable against the several lots abutting directly on the work is as mentioned in the fourth colmn of the said schedule respectively opposite the said several works as described in the first column of said schedule.

AND WHEREAS the number of feet frontage of the lots chargeable in case of each of such local improvement works is as set down in the fifth column of said schedule, and the cost per foot frontage chargeable against the lots chargeable in respect of each of such works is as set down in the sixth column of each such schedule respectively opposite each such work as described in the first column of said schedule and the annual rate per foot frontage to be levied in each year for the period of twenty years upon the several lots abutting directly upon and chargeable in respect of each such work is as set down in the seventh column of the said schedule respectively opposite each such work as described in the first column of said schedule, and the said schedule is in all these particulars the same respectively as ascertained and determined by the said report and roll and statement of the City Engineer and by the Court of Revision and by the County Judge (where an appeal was had) in respect of each of the said several works.

AND WHEREAS the sum of $26,537.79, being the total cost of the said works, is the amount of the debt to be created by this by-law and for the purpose of repaying the said temporary advances it is expedient to raise the said sum of $26,537.79 by the issue of debentures of the said City of Kingston, the principal to be payable in twenty years from the first day of January, 1921, as hereinafter provided.

AND WHEREAS it will require the sum of $1,076.34 to be raised annually for a period of twenty years to pay the sum of $11,499.30 (being the Corporation's portion of the said cost of the said works) and interest at the rate of 6% per annum, payable half-yearly and it will require the sum of $1,407.60 raised annually for a period of twenty years to pay the sum of $15,038.49 (being the property owners' portion of the said cost of the said works) and interest at the said rate payable half-yearly.

AND WHEREAS the whole rateable property of the said City of Kingston according to the last revised assessment roll is the sum of $15,955,885, and the amount of the existing debenture debt of the said city, exclusive of local improvement debts, secured by special acts, rates or assessments, is the sum of $1,779,903.77, of which neither principal nor interest is in arrear.

BE IT THEREFORE ENACTED by the Council of the Corporation of the City of Kingston as follows:

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to lend the same upon the credit of the Corporation by the issue of debentures hereinafter mentioned the sum of $26,537.79, and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sum of money as may be required, not less than $100 each and not exceeding in the whole the said sum of $26,537.79, and the said debentures shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of $26,537.79 by the way of loan as aforesaid for the purpose aforesaid.

3. The said debt shall be payable in twenty years from the first day of January, A. D. 1921, at the office of the Treasurer of the said City of Kingston, in said city.

4. The said debentures shall all bear the same date, and shall be issued within two years after the day on which this by-law is passed.

5. The said debentures shall bear interest at the rate of 6% per annum from the first day of January, 1921, which interest shall be payable half-yearly on the first day of the months of January and July in each year at the office of the said Treasurer in the said City of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

6. As to the said sum of $11,499.30, being the Corporation's portion of the cost of the said several works as described in column one of the schedule hereto annexed there shall be raised annually during the currency of the debentures

the sum of $689.96 for the interest thereon and the sum of $386.38 to form a sinking fund for the payment of the said debt, the said sums making together the annual amount of $1,076.34 to be raised, levied and collected in each year during the said period of twenty years by annual special rate sufficient therefor to be levied on the whole rateable property in the said municipality.

7. As to the said sum of $15,038.49 being the owners' portion of the cost of the said several works as described in column one of the schedule hereto annexed, there shall be raised annually during the currency of the said debentures the sum of $902.31 for the payment of interest thereon, and the sum of $505.29 to form a sinking fund for the payment of the said portion of the said debt, the said sums making together the annual amount of $1,407.60. For the payment of the owners' portion of the cost, $15,038.49, and the annual interest thereon, $902.31, the several special assessments set forth in the said Special Assessment Rolls are hereby imposed upon the lands liable therefor as therein severally set forth, which said annual assessments with a sum sufficient to cover the interest thereon at the rate aforesaid shall be payable in twenty (20) equal annual instalments as severally set forth in Column No. 7 opposite the said several works as described in Column No. 1 of the said schedule hereto annexed, and for that purpose the equal annual special rate per foot frontage applicable to each work as set forth in Column No. 7 is hereby imposed in the case of each of such works upon the lots abutting directly upon said work as described in Column No. 1 of said schedule, according to the assessed frontage thereof, over and above all other rates and taxes, which said special rates shall be collected annually by the collector of taxes for the corporation at the same time and in the same manner as other taxes.

8. The said debentures shall be sold and the proceeds thereof shall be applied in paying and discharging the temporary loan or debt incurred in and for the construction of the said works and in no other way and for no other purpose whatever.

9. Any person whose lands are assessed for the said special rate in respect of any of the said local improvements may commute for the payment of his proportionate share of the cost of the said improvements as aforesaid by paying a principal sum according to his frontage as shown in the said roll of the City Engineer as finally revised up to the end of two

weeks from and after this by-law shall take effect, after which the said debentures shall be issued, and no commutation shall be permitted, and the lands of persons commuting shall not be subject to the said special rate, and the amount of the said debenture shall be reduced by the amount paid as commutation.

10. This by-law shall come in force and take effect on its passing.

Ald. Angrove presented By-law No. 20, 1921. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Clow in the chair, and was signed and sealed as follows:

BY-LAW NO. 20, 1921.

A by-law to raise by way of loan the sum of $117,084.43 by the issue of debentures to meet the cost of construction of asphalt pavements, etc., on those portions of the streets of the city of Kingston mentioned in the schedules annexed to this by-law.

Passed April 11th, 1921.

WHEREAS in the opinion of two-thirds of all the members of the Council of the Corporation of the City of Kingston it was desirable in the public interest to construct asphalt pavements as local improvements on the several portions of streets mentioned and described in Column One of the Schedule "A" hereto annexed and by the requisite affirmative vote of three-fourths of the members of said Council, to provide from the general funds of the municipality forty per cent. of that portion of the cost of the construction of the said pavement falling on the property benefited in addition to the part of such cost to be provided by the municipality and to add said forty per cent. to the said part of the cost of construction of the said roadway to be provided by the municipality and to issue debentures for the amount thus obtained.

AND WHEREAS before proceeding with the work the necessary private drain connections from the main sewer to the street line and the necessary water and gas mains, service pipes and stop cocks were made and laid as set out in schedule "B," the cost of which is to be assessed only upon the particular lot to serve which it was constructed or effected.

AND WHEREAS the said pavements and private branch drains, water and gas mains were duly constructed and temporary advances were obtained to meet the cost thereof, and a report has been made thereupon showing that said works have been fully completed and that a special assessment roll has been prepared by the City Engineer pursuant to the by-law in that behalf, showing the cost of the said works and making an assessment therefor upon the several lots abutting directly

on the works, and it has been certified that the period of ten years is the probable life of the said works.

AND WHEREAS the assessed value of the whole real property rateable in respect of said several improvements as ascertained and finally determined is the amount mentioned in the eighth column of the said schedule "A" opposite the said several works as described in the first column of said schedule.

AND WHEREAS the total cost of the said several improvements is as mentioned in the second column of the said schedule and the Corporation's portion of such cost is as mentioned in the third column of the said schedule, and the portion of such cost chargeable against the several lots abutting directly on the works is as mentioned in the fourth column of the said schedule opposite the said several works as described in the first column of said schedule.

AND WHEREAS the number of feet frontage of the lots chargeable in case of each of such local improvement works is as set down in the fifth column of said schedule, and the cost per foot frontage chargeable against the lots chargeable in respect of each such work is as set down in the sixth column of said schedule opposite each such work as described in the first column of said schedule, and the annual rate per foot frontage to be levied in each year for the period of ten years upon the several lots abutting directly upon and chargeable in respect of each such work is as set down in the seventh column of the said schedule opposite each and such work as described in the first column of said schedule and the said schedule is in all these particulars the same respectively as ascertained and determined by the said report and roll and statement of the City Engineer and by the Court of Revision and by the County Judge (where an appeal was had) in respect of each of the said several works.

AND WHEREAS the sum of $117,084.43, being the total cost of all the said works, is the amount of the debt to be created by this by-law and for the purpose of repaying the said temporary advances it is expedient to raise the said sum of $117,084.43 by the issue of debentures of the said city of Kingston, the principal to be payable in ten years from the first day of January, 1921, as hereinafter provided.

AND WHEREAS it will require the sum of $9,131.06 raised annually for a period of ten years to pay the sum of

$63,719.91 (being the corporation's portion of said cost of the said works) and interest at the rate of 6% per annum, payable half-yearly, and it will require the sum of $7,647.13 raised annually for a period of ten years to pay the sum of $53,364.52 (being the property owners' portion of the said cost of the said works) and interest at the said rate, payable half-yearly.

AND WHEREAS the whole rateable property of the said city of Kingston according to the last revised assessment roll is the sum of $15,955,885, and the amount of the existing debenture debt of the said city, exclusive of local improvement debts, secured by special acts, rates or assessments, is the sum of $1,779,903.77, of which neither principal nor interest is in arrear.

BE IT THEREFORE ENACTED by the Council of the Corporation of the City of Kingston as follows:

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to lend the same upon the credit of the corporation by the issue of the debentures hereinafter mentioned the sum of $117,084.43, and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sums of money as may be required, not less than $100 each and not exceeding in the whole the said sum of $117,084.43, and the said debentures shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of $117,084.43 by way of loan as aforesaid for the purpose aforesaid.

3. The said debt shall be payable in ten years from the first day of January, A. D. 1921, at the office of the Treasurer of the said city of Kingston, in the said city.

4. The said debentures shall all bear the same date, and shall be issued within two years after the day on which this by-law is passed.

5. The said debentures shall bear interest at the rate of 6% per annum from the first day of January, 1921, which interest shall be payable half-yearly on the first day of the

months of January and July in each year at the office of the said Treasurer in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

6. As to the said sum of $63,719.91 being the corporation's portion of the cost of the said several works as described in column one of the schedule hereto annexed, there shall be raised annually during the currency of the debentures the sum of $3,823.20 for the interest thereon, and the sum of $5,307.86 to form a sinking fund for the payment of the said debt, the said sum making together the annual amount of $9,131.06 to be raised, levied and collected in each year during the said period of years by annual special rate sufficient therefor to be levied on the whole rateable property in the said municipality.

7. As to the said sum of $53,364.52 being the owners' cost of the said several works as described in column one of Schedule "A" and set out in Schedule "B" hereto annexed, there shall be raised annually during the currency of the said debentures the sum of $3,201.87 for the payment of the interest thereon and the sum of $4,445.26 to form a sinking fund for the payment of the said portion of the said debt, the said sums making together the annual amount of $7,647.13. For the payment of the owners' portion of the cost, $53,364.52, and the interest thereon, the several special assessments set forth in the said Special Assessment Rolls and in the schedules hereto annexed, as hereby imposed upon the lands liable therefor as therein severally set forth, which said annual assessments with a sum sufficient to cover the interest thereon at the rate aforesaid, shall be payable in ten (10) equal annual instalments as severally set forth in column 7 of Schedule "A" and in column 4 of Schedule "B", and for that purpose the special annual rate per foot frontage set forth in Schedule "A" and the special annual rate per lot as set forth in Schedule "B" hereto annexed are hereby imposed upon the lots entered in the said special Assessment Roll and Schedule "A" according to the assessed frontage thereof and as set out in Schedule "B" over and above all other rates and taxes, which said special rates shall be collected annually by the collector of taxes for the corporation at the same time and in the same manner as other taxes.

8. The said debentures shall be sold and the proceeds thereof shall be applied in paying and discharging the temporary loan or debt incurred in and for the construction of the

said works and in no other way and for no other purpose whatever.

9. Any person whose lands are assessed for the said special rate in respect of any of the said local improvements may commute for the payment of his proportionate share of the cost of the said improvements as aforesaid by paying a principal sum according to his frontage as shown in the said roll of the City Engineer as finally revised up to the end of two weeks from and after this by-law shall take effect, after which the said debentures shall be issued and no commutation shall be permitted, and the lands of persons commuting shall not be subject to the said special rate and the amounts of the said debentures shall be reduced by the amount paid as commutation.

10. This by-law shall come in force and take effect on its passing.

BY-LAWS.

Ald. Couper presented By-law No. 22, 1921. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Fleet in the chair, and was signed and sealed as follows:

BY-LAW NO. 22, 1921.

A by-law to authorize the construction of concrete walks, a concrete curb, a sewer and pavements in the streets and parts of streets in the City of Kingston, as set out in the schedule hereto annexed marked "A," each as a local improvement under the Local Improvement Act.

Passed April 25th, 1921.

WHEREAS it is expedient that the construction of the concrete walks, the concrete curb, the nine-inch tile sewer and the sheet asphalt pavements on a four-inch concrete base, set out in the schedule hereto annexed marked "A," should be undertaken each as a local improvement, and notice of the intention of the Council to undertake each of such works has been duly published.

AND WHEREAS the Provincial Board of Health has approved of the construction of the said sewer.

THEREFORE the Municipal Council of the Corporation of the City of Kingston enacts as follows:

1. That it is determined and declared by this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of each of the said concrete walks, the said concrete curb, the said nine-inch tile sewer and the said sheet asphalt pavements on a four-inch concrete base, on the streets and parts of streets set out in the schedule hereto annexed marked "A," shall be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared, each of the said concrete walks, the concrete curb, the nine-inch tile sewer and the sheet asphalt pavements on a four-inch concrete base be constructed as a local improvement under the provisions of the Local Improvement Act.

3. That the City Engineer do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of the contracts for the execution of the said works.

4. That the said works shall be carried on and executed under the superintendence and according to the instructions and orders of such engineer.

5. That the Mayor and Clerk are authorized to cause a contract or contracts for the construction of the said works to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council to be declared by resolution.

6. The Treasurer may, subject to the approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the said works, pending the completion thereof.

7. The special assessment for each of the concrete walks, the concrete curb, and the nine-inch tile sewer shall be paid by twenty annual instalments, which is within the lifetime of each of the said works, and that the special assessment in the case of each of the sheet asphalt pavements on a concrete base shall be paid by ten annual instalments, which is within the lifetime of each of the said works.

8. The debentures to be issued for the loan to be effected to pay for the cost of the works when completed shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and to be made payable within twenty years and ten years respectively as aforesaid on the sinking fund plan, and in settling the sum to be raised annually to pay the debt, the rate of interest shall not be estimated at more than four per cent. per annum.

9. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon, by paying the portion of the cost of construction assessed upon such lot, without interest forthwith, after the Special Assessment Roll has been certified by the Clerk, and at any time thereafter by the payment of such sum as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

10. This by-law shall come in force and take effect on the passing thereof.

(Signed)

A. H. MUIR,
Acting City Clerk.

HUGH C. NICKLE,
Mayor. [L.S.]

BY-LAWS.

Ald. Kent presented By--law No. 25, 1921. The by--law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald Litton in the chair, and was signed and sealed as follows:

BY-LAW NO. 25, 1921.

A By-law to amend the construction By-law No. 28 of 1920, and the Construction By-law No. 40 of 1920.

Passed this 6th day of June, 1921.

The Municipal Council of the Corporation of the City of Kingston enacts as follows:

1. This by-law being passed by a vote of two-thirds of all the members of the Council, it is enacted that paragraph "6" of By-law No. 28 of the year 1920 be amended by striking out paragraph six of said by-law and inserting in lieu thereof the following:

"The special assessment for the asphalt macadam pavements on a four-inch concrete base, with concrete curb and gutter, shall be paid by ten annual instalments, and the special assessment for the concrete curb shall be paid by twenty annual instalments, which is within the lifetime of the several works respectively."

2. The seventh paragraph of said by--law is amended by striking out the same and inserting in lieu thereof the following:

"The debentures to be issued for the loan to be effected to pay for the cost of the said asphalt macadam pavement on a four-inch concrete base, with concrete curb and gutter on Bagot street and Charles street, when completed shall bear interest at a rate to be fixed by a money by--law to be hereafter passed by the Council, and be made payable within ten years on the sinking fund plan; and the debentures to be issued for the loan to be effected for the cost of the concrete curb on Nelson street, when completed shall bear interest at a rate to be fixed by a money by--law to be hereafter passed by the Council, and to be made payable within twenty years on the sinking fund plan, and, in settling the sums to be raised annually to pay the debts, the rate of interest on investments shall not be estimated at more than four per cent. per annum."

3. The figure "10" at the end of the annexed schedule to said bylaw shall be changed to "20."

4. Paragraph "7" of By-law No. 40 of 1920 is struck out and the following enacted in lieu thereof:

"The special assessment for the asphalt macadam pavement shall be paid by ten annual instalments, and the special assessment for the concrete walks and the concrete curb shall be paid by twenty annual instalments, as set out in the schedule hereto annexed, which is within the lifetime of each of the said works respectively."

5. Paragraph "8" of said by-law is struck out and the following enacted in lieu thereof:

"The debentures to be issued for the loans to be effected to pay for the cost of the work when completed, shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and to be made payable within ten years on the sinking fund plan, for the asphalt macadam pavement on a concrete base, and within twenty years on the sinking fund plan for the concrete walks and concrete curb, as set out in the annexed schedule, and in settling the sum to be raised annually to pay the debt the rate of interest shall not be estimated at more than four per cent. per annum."

This by-law shall come in force and take effect on its passing.

Ald. Couper presented By--law No. 26, 1921. The by--law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Kent in the chair, and was signed and sealed as follows:

BY-LAW NO. 26, 1921.

A by-law to authorize the paving with macadam of a part of Johnson street, in the city of Kingston, as a local improvement under the provisions of the Local Improvement Act.

Passed 6th June, A. D. 1921.

WHEREAS it is expedient that the work hereinafter described should be undertaken as a local improvement, and no-

tice of the intention of the Council to undertake such work has been duly published.

THEREFORE the Municipal Council of the Corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by--law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the paving with macadam on Johnson street from Victoria street to Macdonnell street, in the city of Kingston, should be undertaken as a local improvement under the provisions of the Local Improvement Act, as set out in Schedule "A," hereto annexed.

2. That as above determined and declared the paving with macadam on Johnson street from Victoria street to Macdonnell street, in the city of Kingston, be done as a local improvement under the provisions of the Local Improvement Act.

3. The Engineer of the Corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of contracts for the execution of the work.

4. The work shall be carried on and executed under the superintendence and according to the direction and orders of such Engineer.

5. The Mayor and Clerk are authorized to cause a contract or contracts for the construction of the work to be made and entered into with some person or persons, firm or corporation subject to the approval of this Council, to be declared by resolution.

6. The Treasurer may, subject to the approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the work pending the completion of it.

7. The special assessments shall be paid by five annual instalments, that period being within the lifetime of the work.

8. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed, shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and to be made payable within five years on the sinking fund plan, and in settling the sum to be

raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than four per cent. per annum.

9. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the Special Asssesment Roll has been certified by the Clerk, and at any time thereafter by the payment of such sum as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on its passing.

Ald. Graham presented By--law No. 27, 1921. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. O'Connor in the chair, and was signed and sealed as follows:

BY-LAW NO. 27, 1921.

A By-law to authorize the construction of asphalt pavements on certain streets in the city of Kingston as local improvements under the provisions of the Local Improvement Act.

Passed 6th June, A.D. 1921.

WHEREAS it is expedient that the works hereinafter described should be undertaken as local improvements, and notice of the intention of the Council to undertake such works has been duly published.

THEREFORE the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of an asphalt pavement on a four-inch concrete base on the following streets in the city of Kingston, namely: On Albert street from Union street to King street; on Clergy street from Brock street to Barrie street; on Wellington street from Princess street to Barrack street, and on Princess street from Ontario street easterly to the Grand Trunk Railway tracks; and the construction of an asphalt pavement on an old macadam base be constructed on Brock street from Bagot street to Barrie street, as set out in the schedule hereto annexed marked "A" shall each be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared, an asphalt pavement on a four-inch concrete base be constructed on the following streets as above, namely: On Albert street from Union street to King street; on Clergy street from Brock street to Barrie street; on Wellington street from Princess street to Barrack street, and on Princess street from Ontario street easterly to the Grand Trunk Railway tracks, and an asphalt pavement on an old macadam base on Brock street from Bagot street to Barrie street, as set out above, each as a local improvement under the provisions of the Local Improvement Act.

3. That before proceeding with the work of constructing

the said asphalt pavement with a four-inch concrete base on Albert street, all the necessary private drain connections be made from the main sewer to the street line on both sides, and also all ncessary water mains, service pipes and stop--cocks be laid, and all necessary alterations in the same be made, and also all necessary gas mains, service pipes and stock-cocks be laid, and all necessary alterations in the same be made, and that the cost of the water or gas service pipes and stop-cocks and any alterations in the same and the costs of the private branch drains and connections be specially asssesed on the particular lots to serve which they are constructed or effected, and the lots effected and to be specially assessed for such additional works are set out in the schedule hereto annexed marked "B."

4. The Engineer of the Corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of contracts for the execution of the said works.

5. The works shall be carried on and executed under the superintendence and according to the direction and orders of such Engineer.

6. The Mayor and Clerk are authorized to cause a contract or contracts for the construction of the works to be made and entered into with some person or persons, firm or corporation subject to the approval of this Council to be declared by resolution.

7. The Treasurer may, subject to the approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the works pending the completion of them.

8. The special assessment shall be paid by ten annual instalments, that period being within the lifetime of the said works.

9. The debentures to be issued for the loan to be effected to pay for the cost of the works when completed, shall bear interest at a rate to be fixed by a money by--law to be hereafter passed by the Council, and to be made payable within ten years on the sinking fund plan, and in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than four per cent. per annum.

10. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the Special Assessment Roll has been certified by the Clerk, and at any time thereafter by the payment of such sum as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

Finance and Accounts.

Ald. Kent presented report No. 52 from the Committee on Finance and Accounts as follows:

Kingston, Aug. 12th, 1921.

To the Mayor and Council of the City of Kingston:

Gentlemen,—The Committee on Finance and Accounts begs leave to report and recommend as follows:—

1. That a by-law be passed by the City Council prohibiting street carnivals from showing in the city of Kingston, excepting the Kingston Industrial Exhibition.

2. Whereas the Council of the Corporation of the City of Kingston by By-law No. 12 of 1920, passed March 1st, 1920, undertook to erect and equip an Isolation Hospital on land donated for the purpose by the Board of Governors of the Kingston General Hospital, at a cost not to exceed $150,000.

Therefore be it resolved by this Council that the said Board of Governors, for us and on our behalf, procure the necessary plans and estimates for such Isolation Hospital and proceed with the erection and equipment thereof, our liability in connection therewith to be limited to the said sum of $150,000, beyond which sum the said Board have no authority to render us in any way liable, it being understood that the present Mayor, Mr. Hugh C. Nickle, shall continue to be a member of the Building Committee charged with the erection of the hospital buildings during their construction, and look after our interests in connection therewith, payments of 80 per cent. to be made on certificate of the architect as the building proceeds.

BY-LAWS.

Ald. Angrove presented By-law No. 30, 1921. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Robertson in the chair, and was signed and sealed as follows:

BY-LAW NO. 30, 1921

A by-law to authorize the construction of pavements upon the streets, in the City of Kingston, hereinafter set out, each as a local improvement under the Local Improvement Act.

Passed 12th August, A.D. 1921.

WHEREAS it is expedient that the construction of a sheet asphalt pavement on a four-inch concrete base on Clergy street, between Brock street and Princess street,and on Market street, between King street and Ontario street, and a sheet asphalt pavement on a macadam base on the Market square, shall be undertaken each as a local improvement, and notice of the intention of the Council to undertake each of such works has been duly published.

THEREFORE the Municipal Council of the Corporation of the City of Kingston enacts as follows:

1. That it is determined and declared by this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of a sheet asphalt pavement on a four-inch concrete base on Clergy street, in the City of Kingston, from Brock street to Princess street, and on Market street, in said city, from King street to Ontario street, and also a sheet asphalt pavement on a macadam base on the Market square between Market, King and Brock streets, shall be undertaken each as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared each of the said pavements be constructed as a local improvement under the provisions of the Local Improvement Act.

3. That the City Engineer do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of the contract or contracts for the execution of the said works.

4. That the said works shall be carried on and executed under the superintendence and according to the instructions and orders of such Engineer.

5. That the Mayor and Clerk are authorized to cause a contract or contracts, for the construction of the said works, to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council to be declared by resolution.

6. The Treasurer may, subject to the approval of the Council, agree with any Bank or person for temporary advances of money to meet the cost of the said works, pending the completion thereof.

7. The special assessment in each case shall be paid by ten annual instalments, which is within the lifetime of each of the said works.

8. The debentures to be issued for the loan to be effected to pay for the cost of the works when completed shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and to be made payable within ten years on the sinking fund plan, and in settling the sum to be raised annually to pay the debt the rate of interest shall not be estimated at more than four per cent. per annum.

9. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon, by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith, after the Special Assessment Roll has been certified by the Clerk, and at any time thereafter by the payment of such sum as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on the passing thereof.

REPORT.

Board of Works

Ald. Angrove presented report No. 54 from the Board of Works as follows:

Kingston, Aug. 24th, 1921.

To the Mayor and Council of the City of Kingston:

Gentlemen,—The Board of Works begs leave to report and recommend as follows:

1. That the sewer rent charges for 1917, 1918, 1919 and 1920 amounting to $7.60 be refunded to Mary E. Pollitt, as the charge against her property was commuted in 1896, and wrongly placed on rolls again in 1917.

2. That a concrete walk be constructed as a local improvement on the north side of Brock street from Ontario to King streets.

3. That authority be given to purchase a carload of cold patching material to complete the repairs of oiled-treated roads.

4. That authority be given to dispose of the excess rubble stone taken from the market at the following prices: One dollar per cubic yard delivered, and thirty-five cents per cubic yard on the market.

5. That a concrete walk be constructed in Brock street, north side, from King to Ontario streets, a nine-inch tile sewer be constructed in Union street from Ellerbeck street westerly 253 feet; that sheet asphalt pavements on 4-inch concrete base be laid on Sydenham street from Johnson to West streets; Earl street, from West to Clergy streets, and West street from Sydenham to Earl streets, under the terms of the Local Improvement Act.

6. That the proposal of the Public Utilities Commission to provide for the underground work on Division street from Queen to Pine streets, at an estimated cost of $6,775, provided the City Council passes the necessary construction by-law for the construction of a permanent pavement in this section, and a resolution that the pavement is to be proceeded with in the spring of 1922, and that the City Council will advance the money to take care of 65 per cent. of the cost of the underground work, it being understood that the wages to be paid on this work will not exceed the rates paid by the Corporation for similar work, be accepted and approved.

Present: Ald. Angrove, Armstrong, Clow, Corbett, Craig, Driscoll, Fleet, Graham, Kent, Litton, O'Connor, Potter, Robertson, Sargent, Smith, Steacy, Stroud.

The special meeting was called to consider, and, if thought proper, to pass a by-law to close up and sell to the Frontenac Floor and Wall Tile Co., Ltd., for the sum of $150, soil and freehold of that part of the following highway, namely, "All that part of the forty foot unopened road (except the easterly sixteen feet), lying south of and contiguous to the land conveyed to the Frontenac Floor and Wall Tile Company, Limited, by deed dated 18th May, 1920, and registered in the Registry Office for the City of Kingston, on the 20th August, 1920, as number 35369, in Book 40."

Also to consider, and, if deemed advisable, pass a by-law to amend By-law 32 of 1921 by confining the construction of the sheet asphalt pavement on a four-inch concrete base on Sydenham street from Johnson to Earl, instead of from Johnson to West street.

BY-LAWS.

Ald. Steacy presented By-law No. 34, 1921. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Sargent in the chair, and was signed and sealed as follows:

BY-LAW NO. 34, 1921.

A by-law for stopping up and selling part of a highway.

Passed this 3rd day of October, 1921.

WHEREAS notice of the intention to consider and pass this by-law, and that any person, either in person or by his

Counsel, Solicitor or Agent, who claims that his land would be prejudicially affected by the by-law, and who applies to be heard, would be heard on this date, has been published at least once a week for four successive weeks;

AND WHEREAS it is deemed expedient to stop up and sell that part of the following highway hereinafter described;

THEREFORE BE IT ENACTED by the Municipal Council of the Corporation of the City of Kingston:

All that part of the forty-foot unopened road, except the easterly sixteen feet thereof, lying south of and contiguous to the land conveyed to the Frontenac Floor and Wall Tile Compay, Limited, by a deed dated 18th May, 1920, and registered in the Registry Office for the City of Kingston on the 20th of August, 1920, as number 35369, in Book 40, and being within the City of Kingston, be and is hereby closed up, and the soil and freehold thereof is hereby sold to the Frontenac Floor and Wall Tile Company, Limited, for the sum of $150.

The Mayor and City Clerk are hereby authorized to execute a proper conveyance of said property to the said Company and to affix the Corporate Seal, upon receipt of the purchase price.

This By-law shall come in force and take effect on its passing.

two-thirds vote a second and third time, the second being in committee of the whole, Ald. Steacy in the chair, and was signed and sealed as follows:

BY-LAW NO. 35, 1921.

A by-law to amend By-law No. 32 of 1921.

Passed the 3rd October, 1921.

WHEREAS this Council deem it inadvisable to complete the construction of the sheet asphalt pavement on a four-inch concrete base on Sydenham street, in the City of Kingston, from Johnson street to West street, as provided in By-law number 32 of 1921, passed the 30th day of August, and it is desired to amend such by-law by limiting the construction of the said asphalt pavement on a four-inch concrete base on Sydenham street from Johnson street to Earl street;

AND WHEREAS notice of the intention to pass this by-law has been duly published;

THEREFORE the Municipal Council of the Corporation of the City of Kingston enacts by a two-thirds vote of all the members of the Council as follows:

1. By-law number 32 of 1921, passed the 30th day of August, 1921, being "A by-law to authorize the construction of sheet asphalt pavements on a four-inch concrete base on Sydenham, Earl and West streets, in the City of Kingston, each as a local improvement under the Local Improvement Act, be and is hereby amended by striking out the word "West" wherever it occurs in the expression "On Sydenhma street, in the City of Kingston, from Johnson street to West street," in said by-law and substituting for "West" the word "Earl."

2. This by-law shall come in force and take effect on its being approved by the Ontario Railway and Municipal Board.

BY-LAW NO. 39, 1921.

A by-law to amend By-law No. 22 of the Consolidated By-laws.

BE IT ENACTED by the Municipal Council of the Corporation of the City of Kingston, as follows:

Section No. 3 of By-law No. 22 of the Consolidated By-laws, "being a by-law respecting the erection of buildings," is

amended by adding the following provision thereto as Sub-section One.

1. The said building permit shall have the following provision:

"Provision must be made for the installation in the front entrance door or any door designated by a street number of all dwelling houses, store or office buildings, of a "letter drop" (commonly known as a letter box or letter slot), or other suitable mail receiving device, the aperture to be approximately 1½" x 5", sufficiently large to permit letters and ordinary newspaper mail pockets being deposited therein. The flap of the "letter drop" or slot is to be designated by the word "Letters" and fitted with a spring so as to automatically close after the letter or other piece of mail has been inserted. The "letter drop" or other mail receiving device must be placed in a prominent position in the door and be easily accessible to the letter carrier."

This by-law shall come in force and take effect on its passing.

The by-law was defeated on the second reading.

Ald. Angrove presented By-law No. 40, 1921. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Couper in the chair, and was signed and sealed as follows:

BY-LAW NO. 40, 1921.

A by-law to construct a sewer and lay a water main on Drayton avenue, in the City of Kingston, as a local improvement under the provisions of the Local Improvement Act.

Passed 8th November, A.D. 1921.

WHEREAS it is expedient that the construction of the works hereinafter described shall be undertaken as local im-

provements, and notice of the intention of the Council to undertake such works has been duly published:

AND WHEREAS the Provincial Board of Health has approved of the construction of the said sewer and the laying of the said water main;

THEREFORE the Municipal Council of the Corporation of the City of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of a twelve-inch tile sewer and the laying of a six-inch water main on Drayton avenue from Princess street to Concession street, in the City of Kingston, should be undertaken as local improvements under the provisions of the Local Improvement Act.

2. That as above determined and declared the said sewer and the said water main be constructed on said street, in the City of Kingston, as local improvements under the provisions of the Local Improvement Act.

3. The Engineer of the Corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the works.

4. The works shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

5. The Mayor and Clerk are authorized to cause a contract for the construction of the works to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council, to be declared by resolution.

6. The Treasurer may (subject to the approval of the Council) agree with any bank or person for the temporary advances of money to meet the cost of the works pending the completion of them.

7. The special assessment shall be paid by twenty annual instalments (which is within the lifetime of the work).

8. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed shall bear in-

terest at a rate to be fixed by a money by-law to be hereafter passed by Council, and be made payable within twenty (20) years on the sinking fund plan, and, in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than four per cent. per annum.

9. Any person whose lot is especially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the Special Assessment Roll has been certified by the Clerk and at any time thereafter by the payment of such sums as, when invested at four per cent. per annum, will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

Passed .....

WHEREAS it is expedient to borrow the sum of $16,500 for the purchase of motor-driven fire apparatus, and that is the amount of the debt intended to be created;

AND WHEREAS the amount of the whole rateable property of the municipality, according to the last revised assessment roll is $15,955,885;

AND WHEREAS the amount of the debenture debt of the Corporation is $2,064,234.27, no part of the principal or interest of which is in arrear;

BE IT THEREFORE ENACTED by the Municipal Council of the Corporation of the City of Kingston as follows:

1. It shall be lawful for the Mayor of the said Municipality to raise by way of loan from any person or persons, body or bodies corporate who may be willing to advance the same upon the credit of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of $16,500 and to cause the same to be paid into the hands of the City Treasurer of the said city for the purpose and with the object above recited.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sums of money as may be required, not less than one hundred dollars each, and that the said debentures shall be sealed with the seal of the said Municipality and signed by the said Mayor and countersigned by the said Treasurer, and together shall not exceed the sum of $16,500.

3. The said debt shall be payable in 20 years from the first day of January, A.D. 1922, at the office of the Treasurer of the said City of Kingston.

4. The said debentures shall be dated on the first day of January, 1922, and shall bear interest at the rate of six per cent. per annum from the first day of January, 1922, which interest shall be payable half-yearly on the first day of the months of January and July in each year at the office of the said Treasurer, in the said City of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

5. There shall be raised annually during the currency of the debentures the sum of $990 for the payment of the interest thereon, and the sum of $554.50 to form a sinking fund for the payment of the said debt, the said sums making together

the annual amount of $1,544.50 to be raised, levied and collected in each year during the period of twenty years by an annual special rate sufficient therefor to be levied on the whole rateable property in the said municipality.

This by-law shall come in force and take effect on its passing.

BY-LAWS.

Ald. Chown presented By-law No. 43, 1921. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Corbett in the chair, and was signed and sealed as follows:

BY-LAW NO. 43, 1921.

A by-law to provide for taking the votes of the electors on a proposed by-law entitled "A by-law for borrowing the sum of $16,500 for the purchase of a motor-driven fire apparatus."

Passed on the 7th day of December, 1921.

WHEREAS a proposed by-law of the Corporation of the City of Kingston entitled "A by-law for borrowing the sum of

$16,500 for the purchase of a motor-driven fire apparatus" requires for its validity the assent of the electors, and it is expedient and necessary to pass this by-law for the purpose of enabling the electors to vote on a proposed by-law;

BE IT THEREFORE ENACTED by the Municipal Council of the Corporation of the City of Kingston, as follows:

1. The votes of the electors of the Corporation of the City of Kingston should be taken upon the said proposed by-law at the same time and at the same places as the annual election for th eMunicipal Council, and the Deputy Returning Officers appointed to hold said election shall take the votes.

2. On the 29th day of December, 1921, at the hour of eleven o'clock in the forenoon, the head of the Council of the said Corporation, or some other member of said Council appointed for that purpose by a resolution shall attend at the Mayor's office in the said municipality for the purpose of appointing, and if requested so to do, shall appoint by writing, signed by him, two persons to attend at the final summing up of the votes by the Clerk and one person to attend at each polling place on behalf of the persons interested in and promoting the proposed by-law, and a like number on behalf of the persons interested in and opposing the proposed by-law.

3. On the 3rd day of January, 1922, at the hour of eleven o'clock in the forenoon, at his office in the City Buildings, in the said municipality, the Clerk of the said municipality shall attend and sum up the votes given for and against the proposed by-law.

This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS, City Clerk. H. C. NICKLE, Mayor. [L.S.]

Ald. Angrove presented By-law No. 44, 1921. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Couper in the chair, and was signed and sealed as follows:—

BY-LAW NO. 44, 1921.

A by-law to expropriate land to widen a part of King street.

Passed 7th day of December, 1921.

WHEREAS a by-law has been passed by this Council for the widening of King street, in the City of Kingston, from George street westerly to the westerly limit of the parcel of land hereinafter described as Parcel No. 1.

AND WHEREAS it is necessary for the purpose of widening said street to expropriate the lands hereinafter described;

THEREFORE BE IT ENACTED by the Municipal Council of the Corporation of the City of Kingston as follows:

The lands hereinafter described are hereby expropriated for the purpose aforesaid, namely:

Parcel No. 1—All and singular that certain parcel or tract of land and premises situate, lying and being in the City of Kingston, in the County of Frontenac, and being composed of part of lot number twenty-four, in the First Concession of the Township of Kingston, formerly, but now within the city limits and being a part of the block of land and premises known as the "Garratt Water Lot," which said Garratt Water Lot is marked "Water Front" in the Registered Plan now on fyle in the Registry Office for said City of Kingston as No. C. 28, and which said parcel of land hereby conveyed or intended so to be may be better known as follows, that is to say: Commencing at a point in the southerly side of King street at the north-west corner of the land heretofore sold and conveyed by Michael Doran to Sarah Matilda Robinson by Registered Instrument No. R2534; thence westerly along the southerly side of King street thirty-seven feet more or less to the easterly boundary of a sewer running southerly; thence southerly along the easterly boundary of said sewer two hundred and six feet more or less to the southerly side of the breakwater; thence easterly along the southerly side of said breakwater to the said land of said Robinson; thence northerly along the westerly limit of said land two hundred and six feet, more or less, to the place of beginning, together also with the use of the right-of-way in common from King street west of said sewer as formerly used by John Gleason and extending southerly to the water front.

Parcel No. 2—All and singular that certain parcel or tract of land and premises situate, lying and being in the said city of Kingston, in the County of Frontenac, and being a part of the broken front of lot number twenty-four, formerly in the First Concession of the Township of Kingston, but now within the limits of the City of Kingston, and being part of the block of land known as the "Garratt Water Lot," and conveyed by George A. Kirkpatrick, trustee to Michael Doran by deed dated Oct. 1, 1878, and registered in the Registry Office for said City of Kingston on 27th November, 1878, as Number N. 825, which parcel of land hereby conveyed may be better known as follows: Commencing at the intersection of the easterly boundary of the land conveyed by said deed with the southerly limit of King street; thence westerly along said southerly side of King street fifty-seven feet to a mark in the line fence; thence southerly and parallel to said easterly boundary of the land conveyed by said deed to the water's edge; thence easterly along the water's edge to said easterly boundary of the land conveyed by said deed; and thence northerly along said boundary to the place of beginning, said parcel hereby conveyed being part of the tract marked "Water Front" on the Registered Plan now on fyle in said Registry Office as Number C.28.

Together with all the rights and privileges of the water lot and land covered with water in front of or appertaining to the lands and premises hereby conveyed or intended so to be.

Ald. O'Connor presented By-law No. 47, 1921. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second time, the Council went into the committee of the whole:

BY-LAW NO. 47, 1921.

A by-law to partly exempt from municipal taxation the property of the Dominion Textile Company (Limited) for a period of ten years from the 30th day of June, 1921.

Passed.....

WHEREAS the Dominion Textile Company (Limited), as successors to the Dominion Cotton Mills Company, Limited, has for a number of years operated cotton mills in various provinces in Canada, and amongst such mills has operated a cotton mill in the city of Kingston;

AND WHEREAS it is expedient to encourage the continuance of the company's mill in this city, and negotiations between the company and the corporation have resulted in the company agreeing to operate its mill in this city provided exemption of its property from taxation as hereinafter provided is granted;

AND WHEREAS it is expedient to grant the said exemption and to pass this by-law;

BE IT THEREFORE ENACTED by the council of the corporation of the city of Kingston as follows:

1. The property, real and personal, of the Dominion Textile Company (Limited), in the city of Kingston, necessarily and properly held by the said company for the purpose of its said mill, in the said city, and all additions and improvements thereto, over and above three per cent. of the assessed value thereof in each year shall be and the same is hereby declared to be exempt from municipal taxation (except school taxes and rates for local improvement works), for and during the period of ten years from the 30th day of June, 1921, provided always that no part of the said property shall at any time be exempt from the payment of school taxes or rates for local improvement works to which it is or may be assessed or which may be imposed thereon during the said period of ten years, provided further that the exemption from taxes hereby granted shall not apply to any residential property owned by the company, and provided further that the exemption from taxation hereby granted is given upon the conditions following, that is to say: "Sub-section"

(1) That the Company shall keep its said mill running or working full time on every lawful day during the said period of ten years as a cotton mill and manufactory, excepting during the time or times the same is necessarily stopped for repairs to the same or renewals of machinery or for making such changes as will increase the efficiency of the said mill, but such stoppages are not to exceed six weeks altogether in any year of the said period and such stoppages are not to affect the average weekly payment of wages in any year of the said period as hereinafter provided.

(2) That the company shall keep employed such a number of hands or persons in its said mill during the said period of ten years that its weekly payment of wages to the said hands or persons so employed will average during each year of the said period not less than the sum of eight hundred dollars per week, of which expenditure evidence shall be furnished by the company to the corporation at any time or times during the said period it may be required or demanded by the corporation and in such manner as the corporation may desire.

(3) That the City Treasurer and City Auditor of the corporation shall from time to time and at all reasonable times during the said period of ten years have access to the pay rolls and books of account of the company, and have access to the buildings, premises and works of the company for the purpose of determining whether the agreement on the part of the company is being fully performed and the company, its servants, agents and workmen shall by all means in their power facilitate and assist the said City Treasurer and City Auditor in making their said enquiries and in determining whether the agreement is being fully performed, and the said City Treasurer and City Auditor shall report to the council of the corporation at least once a year during the said period of ten years.

(4) That the company shall during the said period of ten years pay its school taxes and rates for local improvement works in full.

2. Upon the failure or default of the company to perform, fulfil, observe and keep any or either of the said above conditions, the exemption from taxation hereby granted to the company shall forthwith become forfeited and shall cease and be determined, and the taxes on the whole of the property of the company in the said city according to its full assessed value in

each year respectively shall from the date of such failure or default from thenceforth be paid by the company to and be collected by the corporation, provided that the taxes for the year in which such failure or default shall occur shall be apportioned and the proportion thereof from the date of such failure or default to the end of the said year shall be the amount of such taxes payable and collectible for that year.

3. The said exemption from taxation hereby granted to the company shall also become forfeited and cease and be determined if and from the time the company shall become insolvent or make an assignment for the benefit of its creditors, or shall have its property, real or personal, sold under execution or shall abandon the business in this city of carrying on at the said mill the manufacture of cotton yarn or cloth, or shall cease to pay less than the said average sum of eight hundred dollars per week in wages without the leave of the council of the corporation first being had and obtained.

This by-law shall take effect on the day of the passing thereof subject to its being assented to by the electors.

Ald. Sargent presented By-law No. 49, 1921. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Kent in the chair, and was signed and sealed as follows:

BY-LAW NO. 49, 1921.

A by-law to extend Adelaide street westerly to Alfred street as a local improvement under the provisions of the Local Improvement Act.

Passed 7th day of December, 1921.

WHEREAS it is expedient that the construction of the work hereinafter described shall be undertaken as a local improvement, and notice of the intention of the Council to undertake such work has been duly published:

THEREFORE the Municipal Council of the Corporation of the City of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that Adelaide street, in the City of Kingston, be extended westerly from its present limit to Alfred street, in said city, and should be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared the extension of Adelaide street westerly to Alfred street, in the city of Kingston, be undertaken as a local improvement under the provisions of the Local Improvement Act.

3. The Engineer of the Corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the work.

4. The work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

5. The Mayor and Clerk are authorized to cause a contract for the construction of the work to be made and entered into

with some person or persons, firm or corporation, subject to the approval of this Council, to be declared by resolution.

6. The Treasurer may (subject to the approval of the Council) agree with any bank or person for the temporary advances of money to meet the cost of the work pending the completion of it.

7. The special assessment shall be paid by twenty annual instalments (which is within the lifetime of the work).

8. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by Council, and be made payable within twenty (20) years on the sinking fund plan, and, in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than four per cent. per annum.

9. Any person whose lot is especially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the Special Assessment Roll has been certified by the Clerk and at any time thereafter by the payment of such sums as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on its passing.

BY-LAW NO. 50, 1921.

A by-law to construct sewers and lay down water mains on Johnson and Toronto streets, in the City of Kingston, as local improvements under the provisions of the Local Improvement Act.

Passed 7th of December, 1921.

WHEREAS it is expedient that the construction of the works hereinafter described shall be undertaken as local improvements, and notice of the intention of the Council to undertake such works has been duly published.

AND WHEREAS the Provincial Board of Health has approved of the construction of the said sewers and the laying of the said water mains;

THEREFORE the Municipal Council of the Corporation of the City of Toronto enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of a tile sewer, running in diameter from eighteen inches to nine inches, and the laying of a six-inch water main on Johnson street from Macdonnell street to the city limits, and that the construction of a tile sewer, running from twelve inches in diameter to nine inches and the laying of a six-inch water main on Toronto street from Earl street to Johnson street in said city, should be undertaken each as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared the said sewers and the said water mains be constructed on said streets, in said city, each as a local improvement under the provisions of the Local Improvement Act.

3. The Engineer of the Corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the said works.

4. The works shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

5. The Mayor and Clerk are authorized to cause a contract for the construction of the works to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council, to be declared by resolution.

6. The Treasurer may (subject to the approval of the Council) agree with any bank or person for the temporary advances of money to meet the cost of the works pending the completion of them.

7. The special assessment shall be paid by twenty annual instalments (which is within the lifetime of each of the said works).

8. THIS AGREEMENT made in duplicate this seventh day of December, A.D. 1921,

BETWEEN:

THE CORPORATION OF THE CITY OF KINGSTON, hereinafter called the Corporation,

OF THE FIRST PART;

AND

THOMAS WATSON, of the City of Woodstock, in the County of Oxford, Manufacturer, hereinafter called the party

OF THE SECOND PART;

WHEREAS the Party of the Second Part proposes to incorporate a company under the Dominion Companies Act, and start a manufacturing business in the City of Kingston;

AND WHEREAS the Corporation has agreed to sell a factory site in the City of Kingston to the said company when incorporated, and cause to be constructed a railway siding to said site;

NOW THEREFORE THIS AGREEMENT WITNESSETH in consideration of the premises and of the covenants and agreements of the parties hereto as follows:

1. The Corporation shall convey free from encumbrances and assure by a good and sufficient deed unto the above recited company when incorporated, the land hereinafter described, for the sum of one hundred dollars, after the said company has erected said building mentioned in Clause 3 and said building is fully completed and ready for occupation for manufacturing purposes, said land being described as follows:

In the City of Kingston, in the County of Frontenac, and Province of Ontario, and being composed of part of farm lots One (1) and Two (2) of the concession west of the Great River Cataraqui, formerly in the township, now in the city of Kingston, and being more particularly described as follows:

Commencing at a point in the west limit of Rideau street, 33 feet north of the centre line of Russell street produced, thence northerly along said west limit of Rideau street 842 feet, more or less, to the south side of Duff street, as shown on a plan of lots laid out on said farm lot No. 2 by T. W. Nash, P.L.S., for John Duff, dated April 9th, 1887, and registered in the Registry Office for the City of Kingston, on the 5th day of December, 1888, as Plan "C.8"; thence westerly along the said south limit of Duff street 280′ 6″ to the easterly limit of Montreal street, thence southerly along the easterly limit of Montreal street 277 feet to the northerly limit of Fraser street as shown on said plan "C.8"; thence easterly along said north limit of Fraser street 158′ 4″ to the boundary between lots 10 and 11; thence south-easterly 66 feet more or less to a point where the south limit of Fraser street intersects the boundary between lots 17 and 18, fronting on the south side of said street; thence southerly along said boundary 132 feet to the rear of said lots; thence south-easterly 346 feet, more or less,

to intersect a line parallel to the centre line of Russell street produced and 33 feet north of said centre line; thence easterly 300 feet along said line to the place of beginning.

2. The Corporation shall at its own cost and expense cause to be constructed or procured for the Party of the Second Part a railway siding of standard gauge to the said land, such point and location of siding to be mutually agreed upon by the parties hereto and approved by the railways.

3. The company when incorporated shall within a year after passing of the by-law approving of this agreement, erect a factory on the said lands suitable for the purpose of the company, said factory to be built of steel and concrete, to be two hundred and sixty feet long by seventy feet wide, at an estimated cost of forty thousand dollars.

4. This agreement and the several terms of the same shall be respectively binding upon the heirs, executors, administrators and assigns of the Party of the Second Part; upon the company, its successors and assigns, when incorporated, and upon the successors and assigns of the corporation in all respects as if expressly named therein.

IN WITNESS WHEREOF the said parties have executed this agreement by affixing thereto their several seals and the Mayor of the Corporation and the Party of the Second Part have hereto set their hands the day and year above written.

Signed, Sealed and Delivered in the presence of

B. N. STEACY,

BY-LAWS.

Ald. Angrove presented By-law No. 56, 1921. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second time in the committee of the whole;

BY-LAW NO. 56, 1921.

A by-law to borrow the sum of $12,000 for the purpose hereinafter mentioned.

Passed.....

WHEREAS it is expedient to borrow in order to pay for the installation of an electric police signal system, the sum

of $12,000, and that is the amount of the debt intended to be created;

AND WHEREAS the amount of the whole rateable property of the municipality according to the last revised assessment roll is $15,955,885;

AND WHEREAS the amount of the debenture debt of the Corporation is $1,779,903.77, no part of the principal or interest of which is in arrear;

BE IT THEREFORE ENACTED by the Municipal Council of the Corporation of the City of Kingston:

1. For the purpose mentioned in the preamble there shall be borrowed on the credit of the Corporation the sum of $12,000, and debentures shall be issued therefor on the sinking fund plan in sums of not less than $100 each, which shall have coupons attached thereto for the payment of the interest.

2. The debentures shall all bear the same date and shall be issued within two years from the date on which this by-law is passed, and may bear any date within such two years, and shall be payable within twenty years from the date when they shall be issued and shall bear interest at the rate of six per cent. per annum, payable half-yearly.

3. The debentures and the interest coupons shall be signed and issued by the Mayor, and shall be signed also by the Treasurer, and the debentures shall be sealed with the seal of the Corporation, and the said coupons shall be signed by the said Treasurer.

4. During the currency of the debentures there shall be raised annually the sum of $358 to form a sinking fund for the payment of the debt and $640 for the payment of the interest, making in all $998 to be raised annually for the payment of the debt and interest.

This by-law shall take effect on the day of the passing thereof, subject to its being assented to by the electors.

City Clerk. Mayor.

Ald. Chown presented By-law No. 57, 1921. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Corbett in the chair, and was signed and sealed as follows:

BY-LAW NO. 57, 1921.

A by-law to provide for taking the votes of the electors on a proposed by-law entitled "A by-law to borrow the sum of $12,000 for the purposes hereinafter mentioned."

Passed.....

WHEREAS a proposed by-law of the Corporation of the City of Kingston, being a by-law to borrow the sum of $12,000 to pay for the installation of an electric police signal system, requires for its validity the assent of the electors, and it is expedient and necessary to pass this by-law for the purpose of enabling the electors to vote on a proposed by-law;

BE IT THEREFORE ENACTED by the Municipal Council of the Corporation of the City of Kingston, as follows:

1. The votes of the electors of the Corporation of the City of Kingston should be taken upon the said proposed by-law at the same time and at the same places as the annual election for the Municipal Council, and the Deputy Returning Officers appointed to hold said election shall take the votes.

2. On the 29th day of December, 1921, at the hour of eleven o'clock in the forenoon, the head of the Council of the said Corporation, or some other member of said Council appointed for that purpose by a resolution, shall attend at the Mayor's office in the said municipality for the purpose of appointing and, if requested so to do, shall appoint by writing signed by him, two persons to attend at the final summing up of the votes by the Clerk and one person to attend at each polling place on behalf of the persons interested in and promoting the proposed by-law and a like number on behalf of the persons interested in and opposing the proposed by-law.

3. On the 3rd day of January, 1922, at the hour of eleven o'clock in the forenoon, at his office in the City Buildings in the

said Municipality, the Clerk of the said municnpality shall attend and sum up the votes given for and against the proposed by-law.

This by-law shall come in force and take effect on its passing.

Industries.

Ald. Steacy presented report No. 75 from the Committee on Industries as follows:

Kingston, Dec. 16th, 1921.

To the Mayor and Council of the City of Kingston:

Gentlemen,—The Committee on Industries begs leave to report and recommend as follows:

1. That during the year a great deal of work has been done taking charge of all applicants looking for a place to locate a factory, also soliciting others to bring a branch of their factories here. Several good prospects are already obtained, which will materialize in the new year. The Canada Cutlery Company has made a proposition for extension of the present plant, which will be presented in the new year, and will employ over 50 hands more to start with, involving an outlay on their part of $25,000.

A very satisfactory arrangement has been made with Mr. Thomas Watson, and construction work will begin on the large new building referred to at the last meeting of Council as soon as the spring opens up. We have the Dominion Textile Company making application for a further extension of exemption, the by-law now being before the people. It is the wish of the Industries Committee that the Council and the Board of Trade will see to it that this by-law receives a favorable vote. The by-law regarding Factories Limited is also before the people, and we also expect a favorable report from the people on this by-law. We believe it to be the duty of the Council and Board of Trade when they endorse by-laws of this character in Council to follow them up and support them on election day, and not let them be defeated on account of apathy. It is the intention of some citizens to start another factory, having already purchased the stock to start with, but the formation of the company unfortunately was not far enough advanced to be completed this year. Nearly every application which we deal with asks for a building to move into, and it is a great drawback to the city in getting industries at the present time that buildings are not available, and we recommend the advisability of next year's committee seriously considering this proposition, as many industries could be obtained if factory buildings were available. The great majority of applicants are only promoters, as they want to obtain all the bonuses offered by us, and in addition cash bonuses or cash loans of the city's money. This means that they would use the city's money to make an experiment as to whether the business would be successful or not. Your committee has not recommended any of this class, as they believe that the citizens are not in a mood to endorse this kind of of proposition. His Worship the Mayor and Ald. Steacy have been on hand at all times to help with the work, but the lion's share of the services rendered must be given to Mr. J. M. Campbell, president of the Board of Trade,

who has given his time freely, having the necessary information and judgment in all matters pertaining to this department of city work.

With improved conditions we expect business to improve, and persons looking for locations to operate their factories will not hesitate so much as at present to make expenditures in putting in branches of their business. We recommend that the present system of amalgamation of the committee of the City Council and Board of Trade, with the heads of each forming an executive, be continued.

2. That W. W. Sands, acting Industrial Commissioner, be paid the sum of $500 for services for 1921.

3. That the sum of $400 be paid to A. B. Cunningham for services rendered re charter of Kingston hotel, 1920-21.

Respectfully submitted,

BY-LAWS.

Ald. Angrove presented By-law No. 58, 1921. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Steacy in the chair, and was signed and sealed as follows:

BY-LAW NO. 58, 1921.

A by-law for entering into an agreement with the Public Utilities Commission of the City of Kingston, and the Great North Western Telegraph Co. of Canada.

Passed Dec. 19th, 1921.

WHEREAS it is deemed expedient for the removal of wooden poles from Ontario street between Brock street and Clarence street, in the said city of Kingston;

BE IT ENACTED by the Council of the Corporation of the City of Kingston as follows:

1. The said Corporation is hereby directed and empowered to enter into an agreement with the Public Utilities Commission of the City of Kingston and the Great North Western Telegraph Co. of Canada, hereto annexed as part of this by-law, and the Mayor and City Clerk are hereby directed and empowered to execute the same on behalf of this Corporation and affix its corporate seal, and to bind thereby this Corporation to the terms and conditions therein contained.

2. This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS, City Clerk. HUGH C. NICKLE, Mayor. [L. S.]

This agreement made the 19th day of December, 1921,

BETWEEN:

The corporation of the City of Kingston, in the Province of Ontario, hereinafter called the "City,"

Of the First Part.

AND

1. The Company agrees:

(a) To remove from the said street at the Company's expense the said line of telegraph poles and all wires and attachments now in position thereon.

(b) To supply and place in position at the Company's expense on a line of metal poles to be supplied and erected by the Commission as hereinafter provided a cable, together with messenger wire and all necessary attachments. The said cable shall be attached to the said metal poles in such manner and place as shall be satisfactory to the parties hereto.

2. The Commission agrees:

(a) To supply, place in position, maintain, repair and renew whenever necessary at the expense of the Commission in substitution for hte said line of wooden poles, metal poles of a length to be agreed upon by the parties hereto.
substitution for the said line of wooden poles, metal poles of

PROVIDED THAT should it be found necessary by reason of the requirements of the Company to supply metal poles of a greater length than the standard metal poles now used by the Commission elsewhere in the said City of Kingston, the additional cost of such longer poles shall be paid by the Company.

3. The City and the Commission agree that:

(a) The Company shall have the free use for all time of the metal poles as aforesaid and all renewals thereof or substitutes therefor.

(b) The Company may place in position satisfactory to the Company and the City Engineer guys or deadmen in respect of certain wooden poles owned by the Company, and now situated on the corner of Ontario and Brock streets and on the corner of Ontario and Clarence streets, in the said City of Kingston.

(c) Should the Company at any time find that, under the joint occupation of the said metal poles by the parties hereto as herein contemplated, the Company's business is in any way interfered with or adversely affected, the Company may withdraw from the said joint occupation and re-erect at its own expense a line of poles on the said street as heretofore existed, if permitted by the Board of Railway Commissioners.

(d) Nothing herein contained shall diminish or restrict in any way whatever the rights enjoyed by the Company by virture of its charter in the streets of the said City of Kingston.

4. The parties hereto agree that:

(a) The said line of metal poles shall be for their joint use and benefit, and all possible care shall be taken to see that the interests of each party are properly protected.

IN WITNESS WHEREOF the parties hereto have hereunto set their hands and seals the day and year first above written.

Dedication of Memorial Hall and Unveiling of Tablets.

On December 14th, 1921, the Memorial Hall was dedicated, and the tablets therein unveiled by His Excellency Sir Julien Hedworth George, Baron Byng of Vimy, G.C.B., G.C.M.G., M.V.O., Governor-General of Canada.

It was claimed for this service by those who attended, and also by His Excellency, that it was of the most solemn and dignified character in acknowledgment of the great debt of gratitude the citizens owed to those whose names are on the tablet, and who had made the supreme sacrifice, and also for those who served overseas.

The following address was read by His Worship the Mayor:

"To General His Excellency Sir Julien Hedworth George, Baron Byng of Vimy, G.C.B., G.C.M.G., M.V.O., Governor-General of Canada:

"May it please Your Excellency:

"The citizens of Kingston desire to renew their oft-repeated expression of loyalty and devotion to our Gracious Sovereign, and to extend their sincere and fervent welcome to Your Excellency as His Majesty's representative.

"Our city, as one of the oldest in Canada, can trace connection with early explorers who made known to th western world this northern continent, with pioneers who took part in laying here the foundations of empire, with statesmen who greatly helped to mould the national conditions which we enjoy, with teachers whose breadth of vision and pursuit of truth were linked with reverence and with charity.

"Our civic progress has been surpassed in material elements by other cities, but we may fairly claim that in education, in efforts to foster and to diffuse intelligence, our city has made no unworthy contribution to the welfare and progress of our country. We may be pardoned if we point with gratification and even with a measure of civic pride to the work of Queen's University and of the Royal Military College.

"We greet Your Excellency with all the greater enthusiasm in that you have come to us at the victorious close of the

great conflict in which the Canadian corps under your command took part with the other forces of our empire and of our allies. We are confident that we but echo your own desire that, having rendered Canada invaluable service in the Great War, you may be enabled to serve her highest interests with equal distinction in years of peace.

"We recognize the grave responsibility resting to-day upon those who administer the government of nations, a responsibility disclosed most clearly in the momentous issues brought before the Washington conference. We note with grateful interest the position occupied in that conference by Canada as a member of the British Commonwealth of Nations. We pray that the deliberations may result in securing permanent peace for the world, and that Canada may largely share in the blessing that must thereby come to all nations.

"We have to request Your Excellency to unveil the memorial tablets that have been erected by the city, the one to the honor of all our citizens who served in the Great War overseas, the other to commemorate names of those citizens who gave their lives in the conflict, dying that we might live.

"We would renew the expression of our loyal greeting to Your Excellency and of our devoted attachment to the British Throne.

"On behalf of the City of Kingston.

(Signed)

H. C. NICKLE, Mayor.

W. W. SANDS, City Clerk."

Lord Byng's Address.

"Mr. Mayor, Ladies and Gentlemen: I thank you most sincerely for the welcome you have given me to-day. No words of mine can express adequately my gratitude. In the short time that has elapsed since I came to Canada I have visited Kingston twice, this being the second time, and I can only hope that I shall have very many more opportunities before my term of office expires.

"It will give me the greatest pleasure to forward to His Majesty the King your message of loyalty and devotion, loy-

alty and devotion none the less sincere and spontaneous although traditional in this, one of the oldest English and Scotch settlements in Canada.

"Ladies and gentlemen, we are shortly going to unveil these windows and tablets erected to the memory of those who gave their lives for us in the war. It is an occasion that must have for many of us sad memories and make more acute the pain that those irreparable losses have caused.

"These memorials are our homage to those who have given the greatest gift it is possible to give for us, but I like to think of them as more than merely an outward sign of gratitude; I like to think of them as a covenant between us and them, that their gift shall not be in vain, that our freedom purchased at the cost of their lives shall be an ennobled and idealized state that will give them joy to see if they can still keep watch on our earthly affairs.

"These tablets set out in fair words their deeds of sacrifice; let us set out in fair deeds a conception worthy of their death.

"Your town has a great record behind it. Your early settlers came here because they believed in the British Empire, and had sacrificed everything to remain under the shadow of its flag. It has been the capital of a province and the seat of government of Upper and Lower Canada. Within it are a famous university and a famous college where the best traditions and ideals of education and service are firmly established and maintained. From here have come many of the builders of this great Dominion—Mowat, Mackenzie, Macdonald, men who have had a lasting influence in the construction of the whole Empire Commonwealth.

"And with these come the two hundred and fifty-eight men and women who made the supreme sacrifice.

"I am proud to identify myself to-day with a city with such a splendid record, and thank you for giving me the opportunity of being here."
